The furry moth explores the night,

The door was shut, as doors should be,
 Before you went to bed last night;

 But pencilled o'er the panes and crept
 Away again before you woke.

NOTICES OF INTEREST TO CHAMPIONSHIP PARTICIPANTS IRISH LAW (EU DIRECTIVE)

Under Irish Law all horses moving from one location to another must be accompanied by their passports. It is in your own interests to ensure this is the case. Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine up to €3000. All passports must be registered with the name of the current owner.

> **Embryo Transfer:** Where a foal is produced by this method the dams passport must bear a declaration dated, stamped and signed by the stallion owner (or accredited practitioner where AI is involved) stating the date on which the dam was last covered (or inseminated) and the name of the covering stallion.

> The owners of Champions and Reserve Champions are invited to submit the animals' passports to the I.S.A. head office where the placing will be endorsed and officially stamped with the seal of the Irish Shows Association as a permanent record. Department of Agriculture, Food and the Marine - SPECIFIC REQUIREMENTS

HORSES AND OTHER EQUINES:

As from 1 May 2012, any premises (which includes shows, fairs and markets) where horses or other equines are gathered must be registered with the Department. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises. Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease.

Records required are :The name and address of the owner/person in charge of the premises from which the equine came. :Premises registration number from which the equine came. :Passport number/UEL number of the animal.

Any further information on the requirements for moving horses and equines to shows will be provided on the Department's website at <http://www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement>

CATTLE:

The following changes are being introduced for keepers of bovine animals who wish to show cattle – these changes apply from the 2013 Show season. Keepers of cattle are now required to obtain a Certificate of Compliance prior to the movement of an animal to a Show. Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Certificate of Compliance, should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal. The keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system. Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the Show. These Certificates will replace the previously-used CMMS4 forms.

SHEEP:

Identification: All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS)

Movement Documentation: All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM Notification: The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owners sheep dispatch document as follows: 1.The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full. 2.The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding, (iii) stamps it with the show stamp and (iv) signs the dispatch document. 3.The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement. 4.The show secretary keeps the white copy for his/her records. 5.The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.

Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

Flock Register: All movements of sheep to and from shows must be recorded in the keeper's flock register.
